INVITATION TO SOLIDARITY

We faced a great disaster due to two separate earthquakes in Kahramanmaraş. In the earthquakes that caused countless destruction in Kahramanmaraş, Hatay, Adıyaman, Malatya, Gaziantep, Kilis, Şanlıurfa, Diyarbakır, Adana, Osmaniye and Elazığ, tens of thousands of our citizens were lost and more than a hundred thousand of our citizens were injured. The region was left under rubble both physically and mentally. Our suffering is great and deepens day by day.

Our 725 travel agencies operating in the region are experiencing the biggest crisis in their history. While life is being rebuilt in our cities that suffered from disasters, we aim to support our colleagues, reactivate our travel agencies, and renew the region with tourism.

The Tourism Travel Agencies Foundation (TURSAV), which was established in 1991 to support our travel agencies and ensure their development, launched a support campaign to support our travel agencies who are going through this difficult process and to alleviate their suffering. In this context;

To meet the urgent needs of our members, especially accommodation,

To support the re-establishment of workplaces and to re-establish life in the region,

We want to support the interrupted education of our members' children. To continue their education with a scholarship, primarily at Private TÜRSAB Vocational and Technical Anatolian High School, or to provide support scholarships for those studying at other institutions.

We are launching the 'Support for Our Disaster Survived Members Campaign'.

It's a day of unity.

It's the day of solidarity.

It's the day to give shoulder to our members, to stand up again with the power of our Union.

It's a day to regenerate life and tourism in our ancient lands.

As the beautiful people of this beautiful country and the innovators of tourism, we invite you and all our colleagues to contribute to our Campaign to Support Our Disaster Victims Members.
